The background image shows a scenic view of Regensburg, Germany. In the foreground, a river reflects the sky and the buildings. A row of colorful, multi-story buildings with red-tiled roofs lines the riverbank. In the background, the Regensburg Cathedral is visible, featuring a prominent spire and Gothic architecture.

**30th International  
Vacuum Nanoelectronics  
Conference**

**10 - 14 July 2017  
Regensburg, Germany**

## Location:

Regensburg is a city in south-east Germany, situated at the confluence of the Danube, Naab and Regen River and has over 140,000 inhabitants and two universities.

The medieval centre of the city is a UNESCO World Heritage Site and a testimony of the city's status as cultural centre of southern Germany in the middle ages. The conference will take place in the heart of the city near the Cathedral:

### Herzogssaal

Domplatz 3  
93047 Regensburg
